**Grievance Process**
Employees who feel their issue has not been resolved through the proceeding steps, may seek resolution through the Grievance Process. The Board’s first order of business will be to appoint a Chair to preside over the proceedings. Should any member realize a potential conflict of interest exists, the Executive Vice President will replace them from the same pool of Employees from which the member originated. The Grievance Board will hold a hearing within 5 working days after the written outcome of the proceeding Employee/Department Head Conference process, at which time a copy will be submitted to the Board Members. During the course of the hearing, each party will be afforded time to present their view and supporting documentation. Additionally, the Board may investigate the matter further for their own clarification. Upon closing remarks by each party, the Board will adjourn into executive session to render their decision. The decision of the Board will be final.

Date
Notice of Privacy Practices

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Effective Date of Notice: April 14, 2004

The Red Cloud Indian School (the "Plan") is required by law to take reasonable steps to ensure the privacy of your personally identifiable health information and to inform you about:

The Plan’s uses and disclosures of Protected Health Information (PHI):
- Your privacy rights with respect to your PHI;
- The Plan’s duties with respect to your PHI;
- Your right to file a complaint with the Plan and/or with the Secretary of the U.S. Department of Health and Human Services; and
- The person or office to contact for further information about the Plan’s privacy practices.

The term “Protected Health Information” (PHI) includes all individually identifiable health information transmitted or maintained by the Plan, regardless of form (oral, written, electronic). PHI relates to your past, present or future physical or mental health or condition; and the provision of health care to you; or to the past, present or future payment for the provision of your health care.
Section 1. Notice of PHI Uses and Disclosures

Required PHI Uses and Disclosures

Upon your request, the Plan is required to give you access to certain PHI in order to inspect and copy it.

Use and disclosure of your PHI may be required by the Secretary of the Department of Health and Human Services to investigate or determine the Plan’s compliance with the privacy regulations.

Uses and disclosures to carry out treatment, payments and health care operations.

The Plan and its business associates will use PHI without your consent, authorization or opportunity to agree or object to carry out treatment, payment and health care operations. The Plan also will disclose PHI to the Plan Sponsor Corporate Benefit Services of America for purposes related to treatment, payment and health care operations. The Plan Sponsor has amended its documents to protect your PHI as required by federal law.

Business Associate means a person who on behalf of the Plan performs a function or activity involving the use of disclosure of individually identifiable health information, including claims processing or administration, data analysis, utilization review, quality assurance, billing, benefit management and repricing or any other function covered in the regulations. Business Associate also includes a person or entity that on behalf of the Plan provides legal, actuarial, accounting, consulting, data aggregation, management, administrative, accreditation or financial services to or for the Plan and is not in the capacity of a member of the workforce of the Plan.

Treatment is the provision, coordination or management of health care and related services. It also includes but is not limited to consultations between and referrals to one or more of your providers.
For example, the Plan may disclose to a treating orthodontist the name of your treating dentist so the orthodontist may ask for your dental X-rays from your treating dentist.

**Payment** includes but is not limited to actions to make coverage determination and payment (including billing, claims management, subrogation, plan reimbursement, reviews for medical necessity and appropriateness of care and utilization review and preauthorization).

For example, the Plan may tell a doctor whether you are eligible for coverage or what percentage of the bill will be paid by the Plan.

**Health Care Operations** include but are not limited to quality assessment and improvement, reviewing competence or qualifications of health care professionals, underwriting, premium rating and other insurance activities relating to creating or renewing insurance contracts. It also includes disease management, conducting or arranging for medical review, legal services and auditing functions including fraud and abuse compliance programs, business planning and development, business management and general administrative activities.

For example, the Plan may use information about your claims to refer you to a disease management program, project future benefit costs or audit the accuracy of its claims processing functions.

**The following are uses and disclosures that require written authorization.**

Your written authorization is generally obtained before the Plan uses or discloses psychotherapy notes about you from your psychotherapist. Psychotherapy notes are separately filed notes about your conversations with your mental health professional during a counseling session. They do not include summary information about your mental health treatment. The Plan may use
and disclose such notes when needed by the Plan to defend against litigation filed by you.

**The following are uses and disclosures that require that you be given an opportunity to agree or disagree prior to use or release.**

Disclosures of our PHI to family members, other relatives and your close personal friends is allowed if:

- The information is directly relevant to the family or friend’s involvement with your care or payment for that care; and
- You have either agreed to the disclosure or have been given the opportunity to object and have not objected.

**Use and disclosure of your PHI is allowed without your consent, authorization or request under the following circumstances:**

1. When required by law.

2. When permitted for purposes of public health activities, including when necessary to report product defects, to permit product recalls and to conduct post-marketing surveillance. PHI may also be used or disclosed if you have been exposed to a communicable disease or are at risk of spreading a disease or condition, if authorized by law.

3. When authorized by law to report information about abuse, neglect or domestic violence to public authorities if there exists a reasonable belief that you may be a victim of abuse, neglect or domestic violence. In such case, the Plan will promptly inform you that such a disclosure has been or will be made unless that notice would cause a risk of serious harm. For reporting child abuse for neglect, it is not necessary to inform the minor that such a disclosure has been or will be made. Disclosure may generally be made to the minor’s parent or other representatives although there may be circumstances under federal or state law when the
parents or other representatives may not be given access to the minor’s PHI.

4. The Plan may disclose your PHI to a public health oversight agency for oversight activities authorized by law. This includes uses or disclosures in civil, administrative or criminal investigations; inspections; licensure or disciplinary actions (for example, to investigate complaints against providers); and other activities necessary for appropriate oversight of government benefit programs (for example, to investigate Medicare or Medicaid fraud).

5. The Plan may disclose your PHI when required for judicial or administrative proceedings. For example, your PHI may be disclosed in response to a subpoena or discovery request provided certain conditions are met. One of those conditions is that satisfactory assurances must be given to the Plan that the requesting party has made a good faith attempt to provide written notice to you, and the notice provided sufficient information about the proceeding to permit you to raise an objection and no objections were raised or were resolved in favor of disclosure by the court or tribunal.

6. When required for law enforcement purposes (for example, to report certain types of wounds).

7. For law enforcement purposes, including for the purpose of identifying or locating a suspect, fugitive, material witness or missing person. Also, when disclosing information about an individual who is or is suspected to be a victim of a crime but only if the individual agrees to the disclosure or the covered entity is unable to obtain the individual’s agreement because of emergency circumstances. Furthermore, the law enforcement official must represent that the information is not intended to be used against the individual, the immediate law enforcement activity would be materially and adversely affected by waiting to obtain
payment for your care. However, the Plan is not required to agree to your request. The Plan will accommodate your reasonable requests to receive communications of PHI by alternative means or at alternative locations.

You or your personal representative will be required to complete a form to request restrictions on uses and disclosures of your PHI.

Such request should be made to the following officer: Ann Marie Levangie, CND, Comptroller: Red Cloud Indian School, 100 Mission Drive, Pine Ridge, SD 57770-2100, 605-867-5491 ext. 203.

Right to Inspect and Copy PHI

You have a right to inspect and to obtain a copy of your PHI contained in a “designated record set,” for as long as the Plan maintains the PHI.

“Designated Record Set” includes the medical records and billing records about you maintained by or for a covered health care provider; enrollment, payment, billing, claims adjudication and case or medical management record systems maintained by or for a health plan; or other information used in whole or in part by or for the covered entity to make decisions about you. Information used for quality control or peer review analyses and not used to make decisions about individuals is not in the designated record set.

The requested information will be provided within 30 days if the information is maintained on the site or within 60 days if the information is maintained offsite. A single 30-day extension is allowed if the Plan is unable to comply with the deadline.

You or your personal representative will be required to complete a form to request access to the PHI in your designated record set.
Requests for access to PHI should be made to the following officer: Anne Marie Levangie, CND, Comptroller: Red Cloud Indian School, 100 Mission Drive, Pine Ridge, SD 57770-2100, 605-867-5491 ext. 203.

If access is denied, you or your personal representative will be provided with a written denial setting forth the basis for the denial, a description of how you may exercise those review rights and description of how you may complain to the Secretary of the U.S. Department of Health and Human Services.

**Right to Amend PHI**

You have the right to request the Plan to amend your PHI or a record about you in the designated record set for as long as the PHI is maintained in the designated record set.

The Plan has 60 days after the request is made to act on the request. A single 30-day extension is allowed if the plan is unable to comply with the deadline. If the request is denied in whole or part, the Plan must provide you with a written denial and have that statement included with any future disclosures of your PHI. Requests for amendment of PHI in a designated record set should be made to the following officer: Ann Marie Levangie, CND, Comptroller: Red Cloud Indian School, 100 Mission Drive, Pine Ridge, SD 57770-2100, 605-867-5491 ext. 203.

You or your personal representative will be required to complete a form to request amendment of the PHI in your designated record set.

**The right to receive an accounting of PHI Disclosures**

At your request, the Plan will also provide you with an accounting of disclosures by the Plan of you PHI for a requested period of up to six years prior to the request, but not earlier than April 14, 2004, when the law became effective. Such an accounting need not
include PHI disclosures made to carry out treatment, payment or health care operations or to you about your own PHI.

If the accounting cannot be provided within 60 days, an additional 30 days is allowed if you are given a written statement of the reasons for the delay and the date by which the accounting will be provided.

If you request more than one accounting in a 12-month period, the Plan will charge a reasonable, cost-based fee for each subsequent accounting.

_The Right to Receive a Paper Copy of This Notice Upon Request_

To obtain a paper copy of this Notice contact the following officer: Ann Marie Levangie, CND, Comptroller: Red Cloud Indian School, 100 Mission Drive, Pine Ridge, SD 57770-2100, 605-867-5491 ext. 203.

_A Note About Personal Representatives_

You may exercise your rights through a personal representative. Your personal representative will be required to produce evidence of his/her authority to act on your behalf before that person will be given access to your PHI or allowed to take any action for you. Proof of such authority may take on of the following forms:
- A power of attorney for health care purposes, notarized by a notary public;
- A court order of appointment of the person as your conservator or guardian; or
- A parent if you are a minor child.

The Plan retains discretion to deny access to your PHI to a personal representative to provide protection to those vulnerable people who depend on others to exercise their rights under these rules and who may be subject to abuse or neglect. This also applies to personal representatives of minors.
Section 3. The Plan’s Duties

The Plan is required by law to maintain the privacy of PHI and to provide individuals (participants and beneficiaries) with notice of its legal duties and privacy practices.

This notice is effective beginning April 14, 2004 and the Plan is required to comply with the terms of this notice. However, the Plan reserves the right to change its privacy practices and apply the changes to any PHI received or maintained by the Plan prior to that date. If a privacy practice is changed, a revised version of this notice will be provided (to all past and present participants and beneficiaries) for whom the Plan still maintains PHI. The Notice will be printed in the Handbook and mailed to all those no longer with us in Pension Benefits or W-2 information.

Any revised version of this notice will be distributed within 60 days of the effective date of any material change to the uses or disclosures, the individual’s rights, the duties of the Plan or other privacy practices stated in this notice.

Minimum Necessary Standard

When using or disclosing PHI or when requesting PHI from another covered entity, the Plan will make reasonable efforts not to use, disclose or request more than the minimum amount of PHI necessary to accomplish the intended purpose of the use, disclosure or request, taking into consideration practical and technological limitations.

However, the minimum necessary standard will not apply in the following situations:

- Disclosures to or requests by a health care provider for treatment;
- Uses or disclosures made to you;
- Disclosures made to the Secretary of the U.S. Department of Health and Human Services;
- Uses or disclosures that are required by law; and
- Uses or disclosures that are required for the Plan’s compliance with legal regulations.

This notice does not apply to information that has been de-identified. De-identified information is information that does not identify you and where there is no reasonable basis to believe that the information can be used to identify you.

In addition, the Plan may use or disclose “summary health information” to the plan sponsor for obtaining premium bids or modifying, amending or terminating the group health plan, which summarized the claims history, claims expenses or type of claims experienced by individuals for whom a plan sponsor has provided health benefits under a group health plan; and from which identifying information has been deleted in accordance with HIPAA.

Section 4. Your ‘Right to File a Complaint’ with the Plan or the HHS Secretary

If you believe that your privacy rights have been violated, you may complain to: Angie Yellow Boy Stinson, Comptroller: Red Cloud Indian School, 100 Mission Drive, Pine Ridge, SD 57770-2100, 605-867-5491 ext. 203.

You may file a complaint with the Secretary of the U.S. Department of Health and Human Services, Office for Civil Rights, 1961 Stout Street, Rm. 1426, Denver, CO 80294, 303-844-2024, TDD 303-844-3439, FAX 303-844-2025. The Plan will not retaliate against you for filing a claim.

The regulations prevail for any discrepancy between the information in this notice and the regulations.
